### *Christmas by the Book*

This skit tells the traditional Christmas Story, starting with the scriptures prophesying the coming of the Messiah and continuing through the birth of Jesus. Much of the narration and dialogue is taken directly from the Holy Scriptures; as such it represents the events of the first Christmas as taken from  
“The Book” -- *The Word of God, The Holy Bible!*

Colette was diagnosed with Ovarian Cancer in 2008. She visits the Cancer Center in Chicago every six weeks to manage the growing cancer. She trusts in God for healing and feels that He has a plan for her. We are glad to support her in this journey!
